

Women Build Fundraiser 2024 Sponsorship Opportunities

1

100% of your sponsorship supports the construction cost of each home.

The most effective way to uplift our community and address our current housing crisis and shortage **is to build it!**

Homeownership at any level can be life-changing; security, safety, and affordability can establish a positive impact on families for generations. We invite you to be a part of our continued success!

2

Annually, Habitat homeowners pay property taxes, invest in their communities, and are able to afford housing closer to work.

Habitat Homeowner Requirements:

- Homeowners help build their own & others' Habitat homes.
- Contribute 250 sweat equity hours.
- Complete financial + Homeownership classes.
- Homeowners **purchase** with a small down payment & assume a low-interest mortgage with resale restrictions.
- **100% success rate and NO foreclosures, due to affordability & YOUR HELP!**

We know increasing homeownership is the most effective way to lift up our local families and address our housing crisis. Safe, decent, and affordable homeownership is life changing, helps families to help themselves, and has a positive impact on families for generations. Below is a quote from a future homeowner.

3

Your gift creates lasting health impacts which lead to fewer missed work days. This ensures that families don't have to choose between healthcare and basic needs.

"I am most excited about having a kitchen in our new home. The ability to prepare meals and bring my children and me closer through home-cooked dishes fills me with excitement. This opportunity promises a different future for us, allowing us to achieve a life goal early on and enabling me to channel my focus toward providing the best possible future for my children and myself."
-Bradly
