

WOMEN BUILD FUNDRAISER

(Fri., May 1st - Sat., May 2nd)

2026 SPONSORSHIP OPPORTUNITIES

(due April 1st to receive full marketing benefits)

1

100% of your sponsorship supports the construction cost of each home.

The most effective way to uplift our community and address our current housing crisis and shortage is to build homes. This year, we are excited to announce that our 5-home subdivision, called Rosalynn Court in Chico will be the construction site for our Women Build fundraiser.

Homeownership can be life-changing; security, safety, and affordability can establish a positive impact on families for generations. We invite you to be a part of our continued success.

2

Annually, Habitat homeowners pay property taxes, invest in their communities, and are able to afford housing closer to work.

Habitat Homeowner Requirements:

- Help build their own & others' Habitat homes.
- Contribute 250 sweat equity hours.
- Complete financial + homeownership classes.
- **Purchase** home with a small down payment & low-interest mortgage with resale restrictions.

We are pleased to say that we have had a **100% success rate with NO foreclosures, due to affordability & YOUR HELP! Thank you!**

3

Your gift creates lasting health impacts which lead to fewer missed work days. This ensures that families don't have to choose between healthcare and basic needs.

Participating in the building process through sweat equity has been empowering, and this opportunity means more than just owning a home—it's a chance to break the cycle of generational poverty and instability, create a safe and secure foundation for my children, and show them that with hard work and determination, a better future is possible.
